# The 70<sup>th</sup> Week of Daniel

- A. Beginning of 70<sup>th</sup> Week
- B. A of D/Israel fleeing/ **Woman sign**
- C. Rule of antichrist
- D. Trumpet 4
- E. Beginning of Bowl judgments
- F. Second Coming/**Trio sign**
- G. Millennium/ **Cross sign**

This is an example of date calculations if Israel fleeing into wilderness were to align with the 2017 sign, a day is shortened by 1/3 at Trumpet 4, and the Millennium in 2021.

# **An Explanation of the Computation of the Dates in the 70th Week of Daniel**

**Assuming the abomination of desolation will align with the sign of the woman clothed with the sun on 9/23/17, then we would subtract 1230 days from 9/23/17 and arrive at a date for the beginning of the 70<sup>th</sup> Week on 5/13/14.**

**At this same time as the abomination of desolation or just a few days prior, the two witnesses will begin their ministry that will end 1260 days later just before the bowl judgments begin on 3/6/21.**

**30 days after the abomination of desolation the antichrist will take over the world and his 3.5 year/1260 day reign will begin on 10/23/17.**

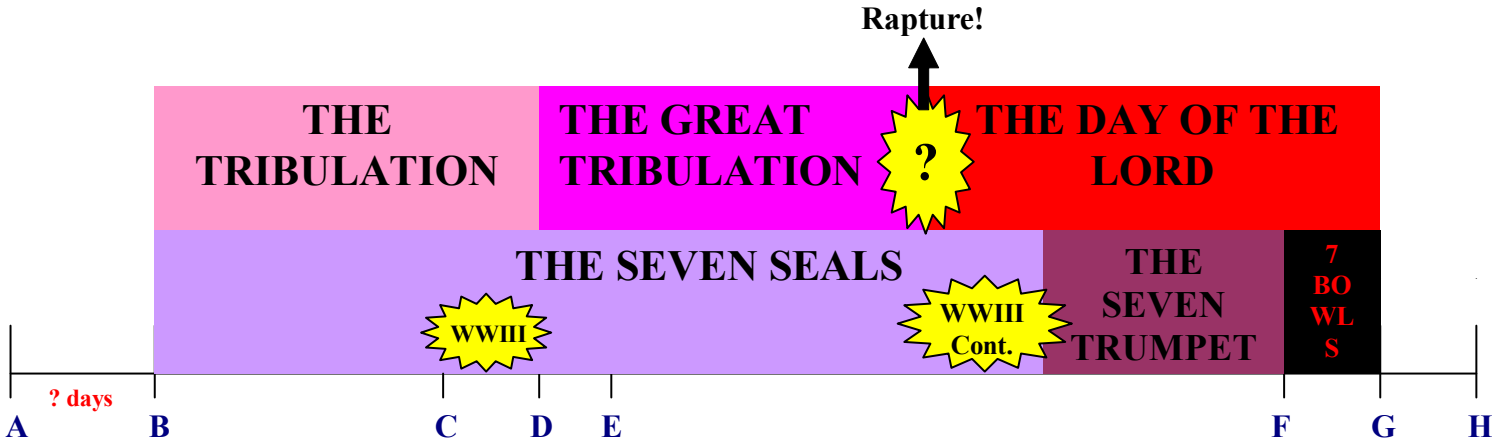

**The reign of the antichrist will end 1260 days later or 1290 days after the abomination of desolation at Armageddon on 4/5/21.**

**The Millennium will begin 1335 days after the abomination of desolation on 5/20/21.**

**If the days are shortened by 1/3 at Trumpet 4 on 7/30/20, then on 4/5/21 the earth will be in its normal position for 1/12/21, and on 5/20/21 the earth will be in its normal position for 2/11/21.**

**Note: There may be a 3 day shift to some of the dates above due to the 3 days the two witnesses are dead and the 3 days of darkness that may accompany the antichrist head wound event.**
