I wonder how many people know that the money we have been using and have been carrying around has secret information encoded on it. Take for example the \$20 bill which if folded in a certain way depicts both the World Trade Center attack and Pentagon attack.

1

I believe that the dollar bill is also encoded. My research has led me to believe that it contains 2 date ciphers, a word cipher, and a map cipher. I believe the 2 date ciphers, which this article will deal with, point to the date of the fall of the United States and the date of the end of the Old World Order, and we know after the Old World Order and the

¹<http://www.geocities.com/garyoki/fun/usd20.jpg>

sovereignty of all nations has been destroyed the New World Order will arise. Let's take a look at the dollar to see what we can find.

There it is; the dollar bill, the trestle board for the destruction of the Old World Order and establishment of the New. There is a lot of symbolism and hidden information on the dollar bill which has been the subject of numerous books and movies. But not much has been said about date ciphers on the dollar bill. After careful analysis I believe that there are 2 date ciphers and that they are contained within the structure of the pyramid of the Great Seal of the United States that appears on the back of the dollar. As I discuss in my book, *The Coming Epiphany*, the pyramid is an illuminati symbol that represents the building of the New World Order, the capstone representing the antichrist and the establishment of his kingdom. Their goal is to take over the world and the Bible tells us that God will allow them to do that for a short period of time.

² <http://www.lebjournal.com/newz/wp-content/final19951snb05040302y.jpg>

The illuminati chose the United States as the primary agent to accomplish its nefarious goal. This concept has been clearly stated in illuminati literature for example Manly P. Hall wrote in *The Secret Teachings of All Ages* that:

Not only were many of the founders of the United States government Masons, but they received aid from a secret and august body existing in Europe which helped them to establish this country for a peculiar and particular purpose known only to the initiated few. The Great Seal is the signature of this exalted body—unseen and for the most part unknown—and the unfinished pyramid upon its reverse side is a trestle board setting forth symbolically the task to the accomplishment of which the United States Government was dedicated from the day of its inception.

By their admission the task to which the United States was dedicated to serve and has been used is to bring about the New World Order, which is almost upon us. And they readily admit that the seal represents these ideas.

Each face is a masterly harmony of all that is potent in symbolism and prophecy. It was originated and adopted by men who recognized the overshadowing presence of the Great Architect of the Universe and submission to His will as revealed in the Scriptures and the Laws of Nature. They planned a government in conformity to His great Plan. They recognized that America's greatest task was to go toward the goal of the Plan -- the eventual establishment of the Kingdom of God on earth."³

Of course their kingdom of god refers to the New World Order with the antichrist ruling the world. And after they have finished using the United States to bring this about, their plan calls for her destruction.

The United States of America has served as a transitional homeland for the Israelites in Diaspora and a secure base of operations where the Knights Templar could establish a financial and military empire that would empower them to repossess the Holy Land. Now that the United States of America has fulfilled its purpose and the reconquest of the Holy Land is underway, **the U.S. must be destroyed** so that American Jews, which comprise 40% of World Jewry, will be motivated to relocate to Israel. There in the land of Israel they will encounter a False Messiah who will be enthroned as the reincarnation of King Solomon in the Temple of Solomon, soon to be rebuilt by the Knights of the Order of the Temple of Solomon. And, if Zechariah 13:9 is an indicator, two-thirds of the Jews in Israel will take the Seal of Solomon, the mark of the Beast, on their foreheads or right hands.⁴

So the Pyramid represents the building of the New World Order and the United States has been chosen as the primary agent to bring this about and when her task is finished she will be destroyed. I believe the date of this destruction is encoded in the pyramid as revealed below

The Encoding

The numbers used in the encoding are 1776, 12, and 19.47.⁵

1. **1776**, as we all know, is when the United States was started, which appears in Roman numerals on the foundation of the pyramid. It is also the year when the illuminati conceived their plan to take over the world. So the foundation stone of the pyramid represents the year 1776, the left edge is 1/1/1776 and the right edge is 12/31/1776.
2. **12** is the number of levels in the pyramid not including the foundation and capstone. When the pyramid is finished the old world order will be

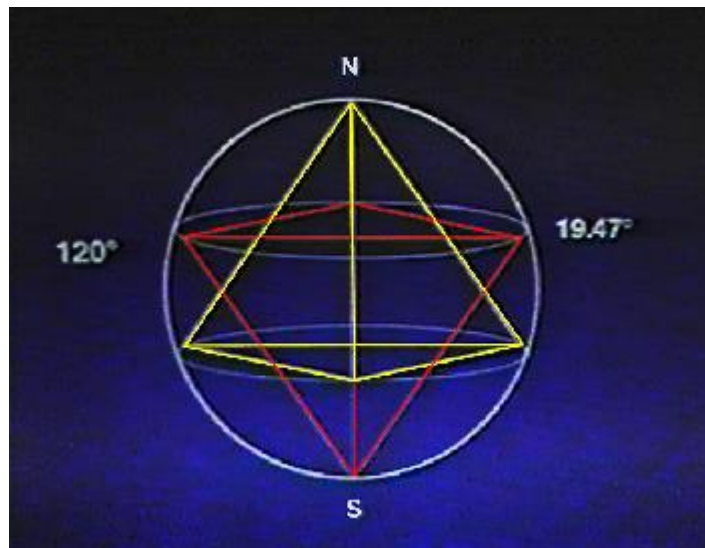

³ <http://watch.pair.com/mason.html#seal>

⁴ <http://www.watch.pair.com/death-phoenix.html#sleepy>

⁵ I was first made aware of these numbers and the possibility that the great seal was encoded with a timeline after watching a You Tube video. However the video did not have its calculation correct and did not arrive at all the dates that I arrived at, nor the prominent date which I am about to reveal, nor did it show any collaborating information that I have found.

destroyed and the New World Order represented by the capstone will be ready to be put in place.

3. **19.47** is the latitude north and south of pyramids found all around the world and on Mars. It is also; the latitude of large amounts of volcanic activity on celestial bodies, the latitude of the swirling spots on Jupiter and Neptune, the latitude of sunspots, the year of the Roswell incident, the year that Aleister Crowley and Nicholas Roerich died⁶, and the degrees of the points of the star of David when placed in a circle and aligned with North and South.⁷ Below is a picture and a few quotes from a website featuring this concept.

"...Ye cubic surfaces! By threes and nines, Draw round his camp your seven-and-twenty lines- The *seal of Solomon in three dimensions*." -- James Clerk Maxwell 1887. "Which, of course, are nothing less than the geometrical and mathematical underpinnings of the infamous "circumscribed tetrahedral latitude" memorialized all over Cydonia ... 19.5 degrees, the identical, *hyper-dimensional quaternion geometry* whose physical effects we have now rediscovered all across the solar system ... and beyond!"⁸ Also $19 + 47 = 66 = 2 \times 33$ or 22×3 , the importance of 2, 22, and 33 will become evident below.

Using these numbers we can unveil the date encodings as follows; if we take 19.47 (the esoteric number) as years and multiply it by 12 (layers in the pyramid) we get 233.64

⁶ These men were both high level satanists, Roerich had a direct connection in getting the seal put on the dollar bill. Refer to the movie *Eye of the Phoenix* linked below.

years, which equals 233 years, and 233 days. Starting with July 4, 1776 and adding 233 years and 233 days we come to **February 22, 2010**.

19.47 x 12 yrs = 233.64 yrs = 233 yrs and 233 days
July 4, 1776 + 233 yrs and 233 days = February 22, 2010

Here is another date encoding; if we take 19.47 years and multiply it by 12.12 we get 235.9764, which equals 235 years and 356 days. Starting with 12/31/1776 and adding 235 years and 356 days we come to the infamous **12/21/2012**—the date that the Old World Order is to end and the New World Order is to begin.⁹

19.47 x 12.12 yrs = 235.9764 yrs = 235 yrs and 356 days
December 31, 1776 + 235 yrs and 356 days = December 21, 2012

I believe that the arrival of the encoded date of 12/21/2012 proves the validity of the premise that dates are encoded in the Great Seal on the dollar bill. Here is a quote from a 2012 website showing another aspect of the connection between 2012 and 1776.

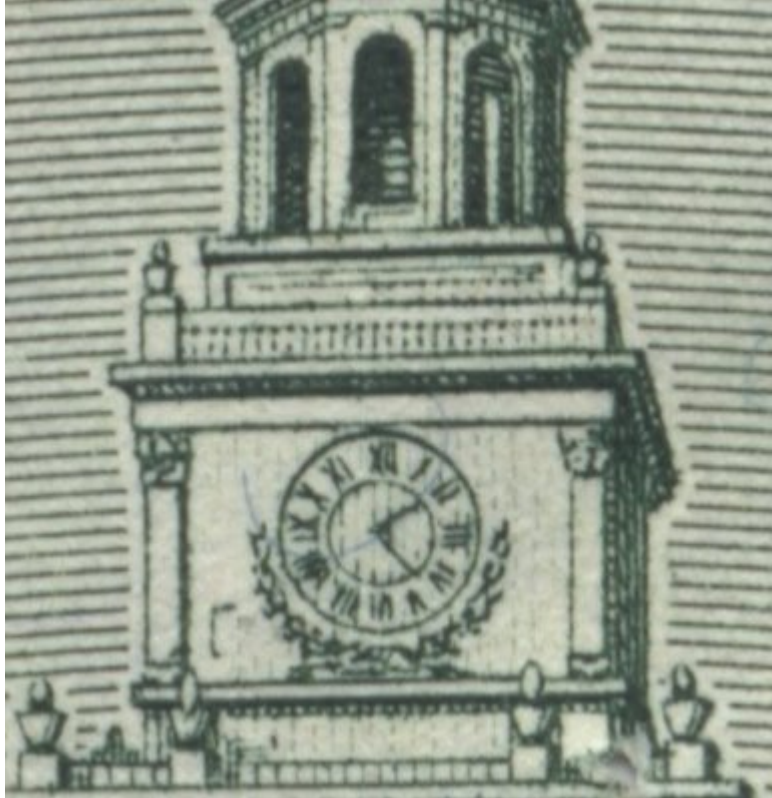

1776 was not only the year that the Declaration of Independence was signed, but was also a special year in the Mayan calendar. Just as the last katun in the Great Cycle is “katun 2012”, the first katun in the cycle of 13 was “katun 1776”. In fact, the katun ended 33 days before the signing. So 1776 is the bottom level of the pyramid, where the date is actually inscribed – the top of the pyramid is therefore 2012.¹⁰

The Confirmations

After I arrived at these initial conclusions and was praying about these things the Lord prompted me to find out the time of the clock on back of the \$100 dollar bill. As you can clearly see the time reads 2:22.

⁹ I cover this topic in [The Coming Epiphany](#) and show its relation to end times Bible prophecy.

¹⁰ www.December212012.com

The official government website says the time is 4:10 but you can clearly see that the longer hand is between the IV and V. If we take the time of 2/22 as a clue in determining the meaning of the dates on the dollar bill discussed above then the date 2/22/2010, which is exactly 233 years and 233 days past July 4th 1776, is the date that stands out.

Here are some facts regarding the President and congress that I found relating to 222.

Barack Obama is, of course, the 44th President, which is 2×22 . The current Congress in session is also the 111th Congress, and each Congressional session runs for 2 years. ($2 \times 111=222$.) We are currently in the year 2009, which is when the 111th Congress and 44th President were seated. If we go back 222 years we come to 1787. The United States Constitution was adopted on September 17th, 1787. The Constitution ratified in 1787 was signed in Independence Hall.¹¹

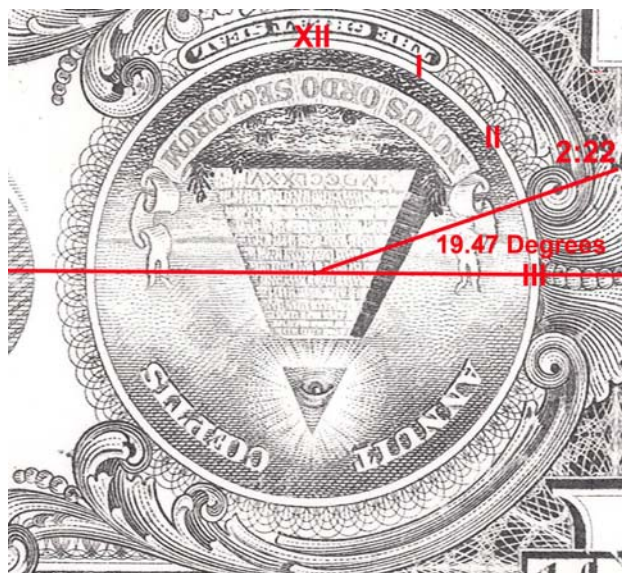

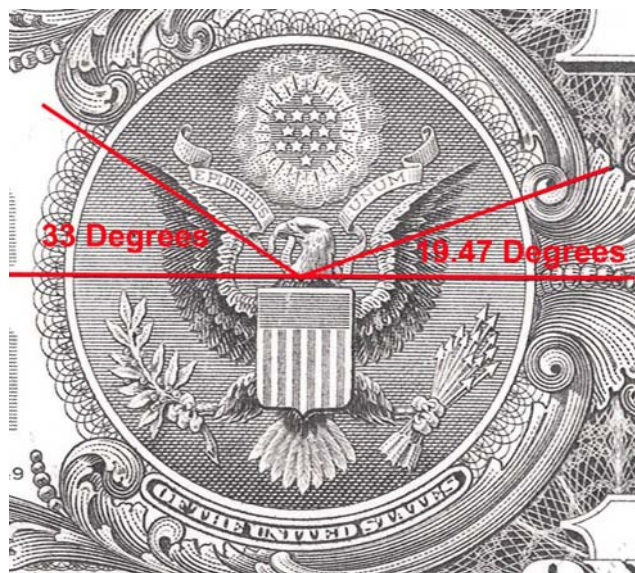

Again in response to prayer the Lord showed me some other interesting facts that in my opinion add confirmation to the premises, dates, and numbers presented above:

1. 2/22/2010 is 1 year, 1 month, and 1 day from President Obama's Inauguration day on 1/20/2009 (exclusive). This makes another 111.
2. The front of the dollar bill has an omega surrounding the picture of George Washington. Omega is the last letter in the Greek alphabet and can stand for the end. George Washington was born on 2/22/1732. Is this another clue that

¹¹<http://parablesblog.blogspot.com/2009/03/signs-of-end.html>

the end will come on 2/22/2010 which aligns with the month and day of George Washington's birthday?

3. If we take the 12 and 12.12 from above used in the date calculations and divide those three 12s by 666—12/6, 12/6, 12/6—you arrive at 222.
4. I measured the diameter of the seal on the dollar bill including the white circle to be 1 3/16 inches. Thus the calculated area of each part of the seal on the dollar bill is 1.11. Adding both together we arrive at 2.22.
5. The calculated circumference of each seal is 3.73 inches, both together add up to 7.46, adding 12 to it we arrive at 19.46. If we take 60 minutes and multiply it by .33 (33 is the highest degree in masonry) we get 19.8 minutes = 19 minutes 48 seconds. The average of those two numbers is 19.47
6. If you draw lines from the middle of the seal on the left or right to a point just below the dots in the fancy design, the lines are approximately at 19.47 degrees from the horizontal. If you take the seal on the right and draw lines from the middle of the seal to the tip of the bird's wings the lines are approximately at 33 degrees.
7. If you rotate the pyramid part of the seal 180 degrees and superimpose a sundial on it then the 19.47-degree line at the top equals a time of 2:22¹².

Is all this just coincidence or was it designed? The odds that the day that is one year, one month, and one day past inauguration day would coincide with the date encoded in the pyramid, the time on the \$100 dollar bill, George Washington's birthday, the area of both seals, the three multiplying numbers divided by three sixes to equal 222, and the sundial

¹² The exact time was 2:21:06 rounding up to the minute gives 2:22.

time of 2:22 is at least 69 trillion to one.¹³ Thus I believe that it was by design and that the Great Seal of the United States contains encoded information.¹⁴

Here are some other interesting facts; there are 5 instances of 222 related to the dollar bill; the encoded date 2/22/2010, George Washington's birthday, the area of both halves of the seal, the three twelves divided by three sixes and the sun dial. $5 \times 222 = 1110$. In *The Coming Epiphany* I mention that $1776 = 1110 + 666$, where 1110 is the day of the 70th week that the antichrist is to come on the scene. Also there are some interesting numerics associated with 222; $222 \times 8 = 1776$. And 222 days is equal to $5328 \text{ hours} = 3 \times 1776 \text{ hours} = 8 \times 666 \text{ hours} = 24 \times 222 \text{ hours} = 48 \times 111 \text{ hours}$. And $\sin 19.47 (.333) \times 666 = 222$.

I would like to mention another possibility regarding 2/22/2010. We know that Illuminati communicate information through Hollywood movies and in the movie National Treasure the time on the back of the hundred dollar bill, 2:22 is featured. But in the movie 2:22 was actually 3:22 because of Daylight Savings Time. Could this possibly be a clue that the Illuminati have moved the date of destruction to a month or a year later than 2/22/2010?

Important Update: 2/22/2010 has come and gone and nothing major happened, so what now? First let me tell you about some interesting things that did happen on 2/22/2010; At 11:00 EST gold was at \$1111/oz. At 1:11 PM EST the Dow was down 11.11. points, which was a drop of .11%. I believe that those occurrences were beyond chance and may have been a sign or signal of future events regarding the United States. Also on 2/22/2010 President Obama announced his new healthcare initiative which if passed will greatly increase government expenditures and taxes which could lead to the financial collapse of the United States.

Earlier in this article I suggested that because of the possible clue in the Movie National Treasure the date of destruction may be moved a month or year later. A month later would be 3/22/2010. I did a little research on 3/22 to see if I could find anything about that date. Take a look at this Skull and Bones Society picture I came across.

¹³ $1/365 \times 1/1440 \times 1/365 \times 1/100 \times 1/10 \times 1/360 = 1/6.9 \times 10 \text{ to the } 13^{\text{th}}$.

¹⁴ If you take into account the seal's origin and how it got on the dollar bill. For a shocking and highly informative examination of those facts I would highly recommend watching the movie entitled [The Eye of the Phoenix](#). By the way, the movie and others contend that the seal came directly from satan.

Besides seeing the prominent number of 322 on their emblem, notice the date of 2182.3.23. That document is dated from 1860. So skull and bonesmen calculate their year by adding 322 to it. Thus the date 3/22/2010 becomes 2332.3.22 which has a lot of interesting numbers in it. 3/22/2010 may be the day, we will have to wait and see if anything transpires on that date. (BTW on 2/23/2010 I drove my wife's car to work, which I normally do not do, upon reaching work the odometer read 113222 and the trip odometer read 080.8.)

Here is something else I feel is significant concerning 3/22/2010; President Obama is planning to be at Borobudur on that day. Here is what the author of the blog "[Running From Babylon](#)" said about Borobudur and his trip.

Borobudur is a Buddhist shrine, to be sure. This shrine is more than about worshipping Buddha, it is about BECOMING Buddha, the future Buddha, Maitreya Buddha, to be exact. At the very top of this 10-terraced, man-made mountain is a stupa (a bell-shaped structure) that houses the "essence" of Buddha Maitreya. This stupa is considered to be a type of "cosmic womb." Some believe it holds the "embryonic" Maitreya who is waiting to be born.

The 2,672 relief panels teach about a young man named Sudhana who went searching for enlightenment and found it in the wisdom of Maitreya. The panels apparently start on the first level, east side (the side facing the rising sun), and end at the top at the Main Stupa. There are a number of Buddha statues on the first level that are "protectors." Maitreya Buddha is depicted as the "protector" facing the North.

Today's pilgrims won't do this next part (and I'm sure we won't be shown if Obama does it), but originally this temple was built by the kings of the Sailendra dynasty, between approximately 300 A.D. to 900 A.D. These kings were of the "solar god" mentality, believing that they were God-Kings and ordained by the Sun to their kingship. There was a ritual that took place at the very top of Borobudur for each king as he came to power. It involved him "bellowing like a bull" and "calling out to the North" that he was "Lord of the World" and that his father's spirit now rested in him.¹⁵

The author of this blog went on further to point out that 3/22/2010 is also in the important Wicca period of Ostara and is the 30th anniversary of the unveiling of the Georgia Guidestones—10 commandments of the antichrist.

There is something else we need to keep in mind that may have a relation to 3/22/2010, Maitreya, and Obama; Benjamin Crème who claims to be the spokesman for Maitreya has put this on his website.

On 12 December 2008 Share International Foundation announced that a large, bright 'star'-like object would soon be seen in the sky. It is a sign heralding the imminent appearance of Maitreya, the World Teacher, on His first television interview, which will take place in the USA.

¹⁵ <http://runningfrombabylon.blogspot.com/2010/02/footsteps-upon-borobudur.html>

The 'star' is really one of four enormous spacecraft placed around the world. Since December 2008 numerous sightings of the 'star' have been reported on YouTube and television news programmes. Share International magazine has received hundreds of photographs showing the 'star' in a variety of stunning colours and shapes.

The huge spiral manifestation over Norway is an extension of the work of these spacecraft and is irrefutable evidence of their reality. Our information is that further such manifestations are planned for the near future.¹⁶

17

Here is the interesting part; at the same time the blue spiral appeared over Norway, Obama was in Norway accepting the Nobel Peace prize.

What does all this mean? I am not sure but from my research I believe that we are very close to seeing monumental prophetic developments, one of which I believe will include large scale financial upheavals in the United States. I also believe that 2/22/2010 is a key date in this regards and that a major event(s) will be staged in relation to that date with 3/22/2010 being the most prominent date to watch for.

Important Update II:

Obama's trip to Borobudur on 3/22 was postponed but something significant and sinister did happen on 3/22. I have documented the findings on my new blog site entitled [The End Times Forecaster](#) under the blog entitled [322, Health Care, and the Dollar Code](#).

The Collapse

In light of all the information presented above I believe that the United States is headed for troublous waters and that its appointed destiny of destruction is almost upon her; 2/22/2010, and 12/21/2012 bear watching, with 2/22/2010 being the most prominent in relation to the United States. We will have to wait and see. When the destruction does occur what might we be in store for the United States in the near future? We briefly speculated above, but let's ponder these things more intently. First let me call your attention to some recent news articles.

On May 21, 2009 the Macedonian International News Agency reported that, "A new Kremlin report on the shadowy Bilderberg Group, who this past week held their annual meeting in Greece, states that the West's financial, political and corporate elite emerged from their conclave after coming to an agreement that in order to continue their drive towards a New World Order dominated by the Western Powers, the **US Dollar has to be 'totally' destroyed.**" Further, the same Kremlin report apparently stated that, "most of the West's wealthiest elite convened at an unprecedented secret meeting in New York called for and led by" David Rockefeller, "to plot the demise of the US Dollar."¹⁸

December 29, 2008, Mr. Panarin posits, in brief, that mass immigration, economic decline, and moral degradation will trigger a civil war next fall and the collapse of the dollar. Around the end of June 2010, or early July, he says, the **U.S. will break into six pieces** — with Alaska reverting to Russian control.¹⁹

March 31, 2009, The commander of the Pakistani Taliban claimed responsibility Tuesday for a deadly assault on a Pakistani police academy and said the group was planning a **terrorist attack on the White House** that would "amaze" the world.²⁰

What was the Illuminati Plan? "THE SCRIPT HAS NOW BEEN WRITTEN" "A hair-raising nuclear confrontation in Korea may, towards the end of the period, threaten man's very survival." (Peter Lemesurier, "The Armageddon Script", p. 223 With these plans in mind, let us review the manner in which this part of the script is being unfolded. NEWS BRIEF: "**North Korea Threatens Armed Strike**", Bloomberg Financial News, May 27, 2009 "North Korea threatened a military response to South Korean participation in a U.S.-led program to seize weapons of mass destruction, and said it will no longer abide by the 1953 armistice that ended the Korean War."²¹ (Note: One evening while I was in my car I was praying about what I had found on the dollar bill and what it might entail for the United States. As I was driving my car odometer reached 66622.2 at that exact moment I had the radio on and was listening to Dr. Savage and his guest was talking about the North Korean nuclear threat.)

To get to the point this morning: I had a call on Thursday afternoon from a very, very worried Robin Landry, who was returning my call from earlier. "George,

you were asking about the short-term outlook? **It's bad...really bad.** Things that should *not* be happening in the market have been happening the past couple of sessions. For instance, the Dow has been coming down, but at the same time, treasuries have been dropping, too, gold has been going up, and oil has been climbing. So there's a possibility...and it's only a *possibility* that the market could go straight down from here..." "Robin, the way I've been hoping this would work out is that we'd still work up to the Dow 9,600 level, such that the decline from the October 2007 high (14,198 and change) would be the all-time high, which would make last year's 6,626 low the larger Wave 1 down, and that we'd last until mid-August of this year before we crash to your long term Dow 770 target in the 2010-2011 timeframe...."²²

What we are about to tell you may be the most important information that we have imparted in almost 50 years. **something very bad is looming** – we don't know the exact configuration yet, but we think the key is the collapse of the dollar, which will send gold and silver to considerably higher prices. These events could unfold over the next 2 to 4 months. There could be devaluation and default of the US dollar and American debt. You must have at least a 6-month supply of freeze dried and dehydrated foods, a water filter for brackish water, and assault weapons with plenty of ammo and clips. You should put as much of your wealth as you can in gold and silver coins and shares. You should not own any stocks in the stock market except gold and silver shares, you should not own bonds the exception being Canadian government securities, you should not own CDs, cash value life insurance policies and annuities. And, needless to say, except for your home you should be totally out of real estate, residential and commercial because it will remain illiquid for many years to come. Continue to pay your normal debts down because we do not know how they will be treated when we arrive at devaluation and default. We certainly don't want to have to tell you this, but the way things are shaping up it doesn't look good. As we write this the dollar is breaking 80 on the USDX. Interest rates are climbing, and have broken out to the upside. Gold and silver are poised to break into new high territory and the stock market is preparing to retest 6,600 on the Dow. You have been warned, act accordingly.²³

These articles above do indeed tell us that something bad is looming. How might it all unfold? Consider the video game Shattered Union that presents a scenario one researcher feels is planned for the United States.

A preview of some of the terrors that have been planned for the U.S. is featured in a shocking video game that was released in October of 2005 and is being marketed to teenagers. The purpose of the game is to give young Americans experience in strategic combat against other regions of their own country which have seceded from the Union and divided into seven nation-states, including Washington, D.C. and surrounding states which are occupied by a European Union peacekeeping force. "Shattered Union begins with a premise that hits way too close to home for Americans in these troubled times. A disputed Presidential election and a spate of domestic terrorism incidents push the United States into

²² <http://www.urbansurvival.com/nl20090523.htm>

²³ http://www.theinternationalforecaster.com/International_Forecaster_Weekly/Gold_To_Stand_Against_Big_Devaluations

increased sectarian squabbling. When an atomic bomb detonates in Washington D.C., eliminating the entire Presidential line of succession, the U.S. breaks up into six squabbling nation states. The secession starts with California and Texas declaring their independence, followed quickly by the northwest states of Pacifica, the Great Plains, the New Confederacy, and the New England Alliance. The European Union, desperate to restore order to avoid the worldwide repercussions of a second Civil War, invades the area around Washington D.C. as an occupying army, effectively forms a seventh power on the continent. Each one is attempting to re-unite the United States and cast the new America in its own image...Following a great increase in terrorism, internal strife and, ultimately, the nuclear destruction of Washington, D.C., the United States shatters into a half dozen nation-states that descend into war..."²⁴

Is this the way the plan will unfold? We will have to wait and see but we know that the illuminati plan calls for the United States as the mythical Phoenix bird, to be destroyed and then resurrected in a greater more glorious form. Their plan also tells us that the United States is supposed to be a part of the North American Union with Canada and Mexico and will have a new currency. I believe that the planned destruction of the United States will be the catalyst to bring this about. Look at this crop circle depicting a burning phoenix discovered in June 2009 in the U.K., which I believe is of demonic/ufo origin. Is this a sign that the phoenix will burn soon?

Look at the hundred dollar bill folded in the same way as the twenty dollar bill at the beginning of this article. Is this what the United States will look like economically and politically after the time 2:22 that was featured on the hundred dollar bill?

From Bible prophecy we know for sure that the New World Order is coming. We also know that the sovereignty and power of all nations including the United States must be destroyed so that all nations can be integrated into the New World Order. If these date encodings are valid and point to the time of the destruction of the United States, then it is almost upon us and you should prepare. You may ask what will happen after the collapse? I believe after the collapse the United States will be brought back even stronger within the North American Union with a new currency, she will then prosper again, then a few years later after the arising of the antichrist just after the rapture she will receive her one hour fire judgment as the end times Babylon.

Note: My purpose in revealing this information is not to scare you. What I am trying to do is the same that a weatherman tries to do in warning you that bad weather like a hurricane or flood may be coming your way. I am trying to alert you that troublous times may be on the way so that you can prepare and possibly escape harm's way. The prospect of troublous times may also "depress" you and maybe you wish that you never knew about these things. Let me state that It is far better to know about what is going to happen so that you can prepare than to be caught off guard. Remember God's precious promises, if you are His child He will take care of you and will never let anything happen to you unless it is for your good (Rom 8:28) If you would like to become one of God's children then [click here](#) to find out how. May God the Father, God the Son—the Lord Jesus Christ, and God the Holy Spirit who has opened my eyes to see these things be glorified.

God tells us that we are responsible to warn others when we see the sword coming.

Son of man, speak to the children of thy people, and say unto them, When I bring the sword upon a land, if the people of the land take a man of their coasts, and set him for their watchman: If when he seeth the sword come upon the land, he blow the trumpet, and warn the people; Then whosoever heareth the sound of the trumpet, and taketh not warning; if the sword come, and take him away, his blood shall be upon his own head. He heard the sound of the trumpet, and took not warning; his blood shall be upon him. But he that taketh warning shall deliver his soul. But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among

them, he is taken away in his iniquity; but his blood will I require at the watchman's hand. (Eze 33:2-9)

In light of God's command I encourage you to take part with me in warning others by passing this information on to as many people as possible.

As mentioned above I have also found an encoded "invisible" map within the Great Seal on the dollar bill that gives the location of "important things" and leads directly to the underworld and the roots of the coming great deception. This article can be read at this link <http://thecomingepiphany.com/BookArticles/DollarCodePt2.pdf>. The encoded words on the seal are revealed in *The Coming Epiphany* which you can download for free at www.thecomingepiphany.com. I have also just written an article entitled [Dollar Death Survival](#) which outlines my strategy for surviving the death of the dollar which may possibly occur or begin to occur on 2/22/2010.
